## TRIESTE

Artistic craft since 1967

### WHAT WE ARE TODAY

In a multicultural area - a crossroads of peoples and cultures - today's CalleaDesign is a modern workshop of artistic craftsmanship, a synthesis of:

- italian design and creativity
- a passion for beautiful things
- high standards of quality in terms of product and service related.
- maximum respect for the customer

### MISSION

Make unique home decor, providing the maximum value to the choices of our clients.

We want our customers to be proud of us.

### WHAT WE DO

We design objects that furnish houses and offices with creativity. The complete satisfaction of the customer is a priority for us.

We offer the utmost care in the quality of our products and in the pre-, post-sales service.

### WHERE WE ARE

Trieste - Italy

“Trieste ha una scontrosa grazia.

Se piace è come un ragazzaccio aspro e vorace, con gli occhi azzurri e mani troppo grandi per regalare un fiore.”

Umberto Saba

From collection “Trieste e una donna” (1910-12)

### OUR VALUES

55-13-1 Coat rack puzzle

This coat rack can be formed from how many modules you want, installed separately from each other or stacked. Each puzzle has a maximum dimension of 23 x 23 cm. The joints always fit together so you can vary the positions or you can put them on top of each other. The knobs are large, essential and functional. They have been designed to hold any garment from the shirt to the heavy coat. Mounting takes place directly on the wall, thanks to a threaded rod, which is inserted into the box. You can choose the color of the entire color folder at the end of the catalog. You can see color combinations with the configurator on the website on the product page.

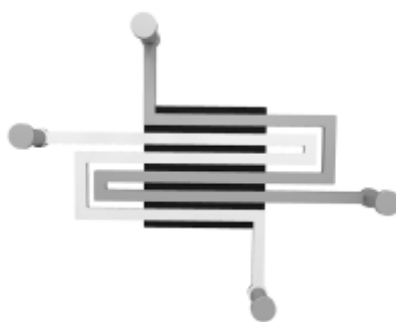

Questo appendiabiti può essere formato da quanti moduli si desidera, installati separati uno dall'altro oppure incastrati. Ogni singolo puzzle ha un ingombro massimo di 23 x 23 cm. Gli incastri combaciano sempre quindi si possono variare le posizioni oppure è possibile metterli uno sopra l'altro. I pomelli sono grandi, essenziali e funzionali. Sono stati disegnati per trattenere qualunque capo di abbigliamento, dalla maglietta al cappotto pesante. Il montaggio avviene direttamente sul muro, grazie ad un tassello con barra filettata, che sono inseriti nella confezione. Possono essere scelti per il colore dei moduli tutta la cartella colori al termine del catalogo. Potete vedere gli accostamenti di colore con il configuratore sul sito nella pagina del prodotto.
